### important notice

**We are required by law to tell you that before we provide cover, you must fully and faithfully tell us everything you know or could reasonably be expected to know that is relevant to our decision to give you the insurance, otherwise you may receive no benefit from your policy.**

### your policy

Your DirectAsia third-party fire and theft motorcycle insurance policy is a contract between you and us and is made up of the information and any declarations submitted by you to us, the terms and conditions of use set out in or on our DirectAsia.com website, your certificate of insurance, the policy schedule, these policy details and any other written change to these documents that is advised by us in writing (such as an amendment). Together we will call these documents your DirectAsia third-party fire and theft motorcycle insurance policy or your policy.

Your policy is proof of the contract between you and us. It is based on the information given by you or for you when you applied for this insurance. This information is shown on your certificate of insurance and the policy schedule. We will take it that you promise that the information you have given us is true.

Your DirectAsia third-party fire and theft motorcycle insurance policy covers the

motorcycle described on your certificate of insurance and your policy schedule and in these policy details we will call it your motorcycle.

You will not be covered for anything that is not described on your certificate of insurance or your policy schedule.

**In order to be covered under this DirectAsia third-party fire and theft motorcycle insurance policy, the policyholder must be the legal and registered owner of the motorcycle described on your certificate of insurance. If the policyholder is not the legal and registered owner of that motorcycle then you and that motorcycle will NOT be covered under this policy.**

Subject to payment of your premium, your policy will become effective on the date specified in your policy schedule and continue for the period of cover specified on your policy schedule, ending at 23:59 standard Singapore time on the last day of the period of cover.

Please read carefully the certificate of insurance, the policy schedule and these policy details to make sure all the information in your policy is complete and correct.

If you need to change anything, please contact us immediately.

The exceptions, exclusions, sums insured, limits and payment requirements described in these policy details apply to all sections of your policy.

To the extent permitted by law, you will receive your policy electronically. There may be some documents that we cannot deliver electronically due to legal and technological constraints. These will be posted to you.

You are advised to keep your certificate of insurance in your motorcycle at all times as this is required under Singapore law.

Your policy uses words that have definite meanings. To make sure that you are aware of these words and their meanings, please read the list of definitions set out in section 12.

### your duty to tell us

The insurance cover under your policy is based on the information you have given to us.

When we agree to insure you, to renew or vary your policy, or to pay your claim, our decision relies on the accuracy of the information you give us.

If that information is not accurate, we can reduce or deny any claim you make. We can also cancel your policy and treat it as if it had never existed.

To avoid any cancellation of your policy or non-payment of your claim you must answer honestly, correctly and completely the questions we ask about:

- o you;
- o any other people who drive or will drive your motorcycle;
- o your motorcycle;
- o the driving and insurance history of you and any other people who drive or will drive your motorcycle; and
- o any events involving your motorcycle that result in a claim on your DirectAsia third-party fire and theft motorcycle insurance policy.

As a condition precedent to any liability of us to make payment under your policy, you must:

- o comply with all of the terms and conditions in your DirectAsia third-party fire and theft motorcycle insurance policy;
- o comply with any amendments to your DirectAsia third-party fire and theft motorcycle insurance policy;
- o comply with all of the terms and conditions set out on or in our DirectAsia website and which are and shall be deemed to be incorporated by reference in these policy details; and
- o ensure the truth and accuracy of all statements and answers made in your application for your policy.

### **at renewal**

In order to offer you continued cover on your policy, we may renew your policy automatically at the premium and on the terms determined by us. You should be aware that we can only consider automatic renewal when:

- o you have made us aware of and we have accepted any changes to your policy details;
- o the credit card details given to us by you have not changed; and
- o there are no outstanding payments or other breaches of your policy.

Unless we hear to the contrary, we are entitled to assume that the details provided by you to us have not changed and that you have the consent of the credit card holder.

We may then automatically debit the credit card we have on file with the renewal premium.

You may opt out of automatic renewal at any time by writing to us at least 30 days before the expiry of your policy.

We have the right to appoint a salvage agent or wreck buyer of our choice.

#### **🔧 repairs authorised by you**

We will permit you to authorise repairs to your motorcycle as a result of an accident or damage that we cover without first having to agree this with us. This permission only applies to repairs up to a maximum amount of \$300 after you have paid the total aggregate excess amounts applicable.

You must send us a detailed quote or receipt (in a form acceptable to us) for these repairs before we will pay your claim.

#### ***liability to other people and other people's property***

##### **🚚 death or injury to a person – third party death or bodily injury**

If you decide to appoint your own lawyer to defend you, we must agree to all legal costs and/or expenses beforehand. If we agree to pay such legal costs and/or expenses we will advise you of the extent to which we will provide such assistance.

There is one main requirement and that is that the injury must be a direct and immediate result of the accident involving your motorcycle.

Payment by us of these medical expenses will not affect your no claim discount but an excess of \$107 (inclusive of GST) will be payable by you.

### **☞ personal accident**

Once we pay you under this personal accident optional benefit cover, we do not and will not

have any further liability to the person driving your motorcycle at the time of the accident, to you, to your driver or to the relevant legal personal representative of that driver, you or of any driver.

In brief, the types of excess that might apply to you are:

<b>type of excess</b>	<b>when it applies and when you have to pay</b>
<b>own damage</b>	this is the minimum amount you have to pay for each claim made by you and it applies to all claims where an excess is payable. This excess is payable in addition to any other excess.
<b>declared usage</b>	this is the amount that you have to pay if your motorcycle is involved in an accident while being driven for a purpose other than the declared usage. The amount payable is \$1,500 for any type of claim.
<b>medical expense</b>	this is the minimum amount that you have to pay for a medical expenses claim if your motorcycle is involved in an accident. The amount payable is \$107 inclusive of GST.
<b>theft excess</b>	this is the minimum amount that you have to pay if your motorcycle is stolen outside Singapore. We will apply a 50% excess on the market value of the motorcycle capped at a maximum amount of \$2,000.

The declared usage, medical expense and theft excess amounts are cumulative and are payable in addition to the own damage excess. The amounts are also subject to any applicable goods and services tax.

The amount of each excess will be shown on your certificate of insurance and/ or your policy schedule.

If we have made any payment under your policy that includes an excess payable by you, this amount will have to be refunded by you to us when we ask you to do so.

## 6 > accidents and claims

**Important Note:** All accidents must be reported to us in accordance with the requirements of the Singapore Motor Claims Framework (see [www.gia.com.sg](http://www.gia.com.sg) for details), within 24 hours or by the next working day and your motorcycle must be taken to one of our approved reporting centres for inspection within this time.

This reporting has to be done by you no matter how small or unimportant the damage might seem to you, even if there is no visible damage and whether or not you intend on claiming from any other insurers or third parties. If you do not do this, your no claim discount may be affected as outlined in section 7.

You should also report to us within 24 hours or by the next working day in the event your motorcycle is lost or stolen.

You can contact us to tell us this information by e-mail or phone. More information concerning what to do in the event of an accident can be found on our website [www.DirectAsia.com](http://www.DirectAsia.com).

To ensure an efficient and speedy claim process we will take instruction from you or your driver. If you would like someone else to deal with your policy or claim on a regular basis please let us know.

If you give us information about another person, in doing so you confirm that other person has given you permission to provide the information to us to be able to process that information and also that you have told that other person who we are and that we will use that information.

## what you have to do

If an accident or loss occurs that might lead to a claim being made under your DirectAsia third-party fire and theft motorcycle insurance policy, you have to do all of the following:

- do everything you reasonably can to limit the loss, damage or injury and to prevent further loss, damage or injury;
- report the accident or loss to us within 24 hours or by the next working day of the accident or loss with your motorcycle (except where this is not possible in the case of theft), at the approved reporting centres;
- report the accident (if required) or loss to the police in the country where the accident or loss occurs within 24 hours of the occurrence of such accident or loss;
- immediately send us any correspondence you receive about the accident (including telling us if you become aware of any demand, court proceedings (actual or threatened) or offers of settlement);
- give us any information and help we may need in handling the claim, including attending court to give evidence; and
- allow us to examine and inspect the damage before repairing your motorcycle. You must do this even if you cannot make a claim for damage to your motorcycle or do not wish to make a claim for damage to your motorcycle under your policy.

If you are making a claim on us for damage to your motorcycle, you must write to inform us of that claim within 14 days of the accident or discovery of damage.

## what you must not do

When an accident occurs that might lead to a claim being made against us by you or any other person, you must not, without our written approval, do any of the following:

- ✗ leave your motorcycle unattended in the event of an accident;
- ✗ drive your motorcycle after it is damaged before necessary repairs have been carried

out. In such event, we will not be liable for any further damage;

- ✗ carry out repairs to your motorcycle beyond the authorised repair limit or dispose of any damaged property before we have had the opportunity to inspect it;
- ✗ admit fault or liability to anyone else or negotiate, pay or settle a claim with anyone else;
- ✗ do anything that may limit our right to claim the money that we paid out on your claim from the person responsible for the loss, damage or injury.

If an accident occurs that causes loss, damage or injury:

- we may take over and conduct in your name the defence or settlement of any claim against you;
- we have the full right to decide on how the defence is conducted or a claim is settled; and
- we have the entitlement to represent you at any inquest or official inquiry.

If we pay your claim, we have the right to take legal action in your name against any person responsible for the loss, damage or injury. We will take this action at our own expense. You must not do anything that limits our right to do this.

Once we have paid your claim up to the applicable limit, we are not obliged to continue to conduct the defence or settlement of a claim against you by another person.

If in the event we are legally obliged to make any payments due to an accident, even though the accident under DirectAsia policy terms and conditions is not admissible, we have the right to recover such payment from you or any person who is responsible for the loss, damage or injury.

If we decide not to continue with the conduct of the defence or settlement of claim, we will not be responsible for any damage, losses, costs or expenses incurred by you or by any other person as a result of our decision.

## who we can pay

If a claim is made by you under your policy for loss of or damage to your motorcycle, we may settle the claim with the legal owner directly if

your motorcycle is owned by someone else (for example, under a hire purchase or leasing agreement or an employer's loan) and if the legal owner is named in the policy.

The acceptance by that legal owner of our payment absolves us of all further liability to you and/or to any other person in respect of such loss or damage.

**if there is other insurance**

If you have other insurance which covers the same liability, loss or damage, we will only pay you our share of the claim and we will have no obligation to pay you any amount if you are entitled to indemnity under any other insurance policy. This does not apply to personal accident benefits.

**7 > discount on premium - your no claim discount**

A no claim discount is a discount that we will provide on your DirectAsia third-party fire and theft motorcycle insurance premium if no claim under your policy has been made in a previous period or previous periods of your motorcycle insurance.

The amount of your no claim discount will be shown on your certificate of insurance and your policy schedule.

**your discount**

The premium discount that you will be entitled to for the next period of insurance if no claim has occurred on your DirectAsia third-party fire and theft motorcycle insurance policy (or other insurer's policy that is acceptable to us) is as follows:

Please note that your no claim discount of 20%, 25% or 30% that is protected under our Direct Asia policy is not transferrable to another insurer and also does not necessarily protect you against non-renewal or cancellation of your policy by us.

**if you do not report an accident**

If you do not report an accident to us within 24 hours or by the next working day and/or do not provide your motorcycle to us for inspection in accordance with the terms of the Motor Claims Framework, we may reduce your no claim discount upon renewal of your policy as shown in the table below:

**your no claim discount applies to only one motorcycle**

Your no claim discount applies to only one motorcycle at any one time.

**8 > what you need to do taking precautions**

You must at all times take reasonable precautions to prevent accidents or loss of and damage to your motorcycle.

**your duty to tell us**

You must fully and truthfully disclose to us the facts as you know or ought to know them, otherwise, you may receive no benefit from the policy.

When you answer our questions, it is important that you answer fully and truthfully as you are obliged under the law to tell us anything you

know or should know that is necessary for us in making our decision to insure you or anyone else under your DirectAsia third-party fire and theft motorcycle insurance policy and the terms on which we will insure you.

This includes answers to questions we ask when you apply for a policy, renew, or alter your policy, and any other matters which might affect whether we insure you and on what terms.

We use the information you give us to decide whether to insure you, or anyone else, so it is important you understand this when you are answering our questions for yourself and for anyone else who you want us to cover.

If you do not answer our questions fully and truthfully and do not disclose all relevant information to us then your claim could be reduced or refused (either totally or in part). We may even cancel your policy and treat your policy as never having existed.

You must inform us immediately of any changes in the information you have given us previously. If you do not, you may not receive any benefits under your policy on any claim and /or we may cancel your policy. In addition, we may also seek to recover any costs we have incurred.

**what you need to do in relation to your motorcycle**

You have to do all of the following:

- o keep your motorcycle, it's permitted and covered accessories and spare parts in good, efficient and roadworthy condition and take reasonable care to safeguard them from loss or damage;
- o allow us free and full access to examine your motorcycle or any part of it and interview any of your drivers;
- o take all reasonable steps to safeguard your motorcycle from loss or damage;
- o in the event of an accident or breakdown, your motorcycle must not be left unattended;
- o comply with all relevant laws in the geographical area where you are driving your motorcycle;
- o comply promptly with all relevant laws, regulations and requirements of public authorities; and
- o inform us immediately if:

- there is any material change in your motorcycle or in the nature of the risk;
- you no longer own or have an interest in your motorcycle; and/or
- you take out any other insurance which covers your motorcycle or liability against similar risks.

### **payment of your premium**

Your insurance premium will be shown on your policy schedule and you must pay your premium directly to us by the due date specified in the relevant confirmation sent by us to you.

Where you are paying your premium in full, then if the total premium is not paid and received in full by us on or before the start date, the policy will be deemed to be immediately and automatically cancelled and no benefits will be payable by us. Any premium payment received after the start date shall have no effect on the cancellation of your policy.

Where you are permitted to pay your premium by instalment payments, then if two or more required instalment payments are not paid and received in full by us on or before the specified due date, the balance instalment payments shall be payable in full. If no payment is made, the policy may be deemed to be cancelled and no benefits will be payable by us. Any premium payment received after the specified due date shall have no effect on the cancellation of your policy.

All payments for any insurance products, renewals, or other services purchased via our website must be paid in full by the due date specified in the relevant confirmation. Unless otherwise provided for, all payments are required to be made by you using a type of credit card accepted by us at the time of purchase or renewal of the applicable insurance policy or service. You must therefore provide to us through our website, details of your current and valid credit motorcycled, including:

- credit card type;
- name on credit card;
- credit card number; and
- expiry date.

You should not send us sensitive financial information like your credit card number by email.

Unless you ask us to change your payment details, we will debit the card we have on file to collect any money due on your policy.

### **reimbursements**

You must pay or reimburse to us any amount for which we would not otherwise be liable under your policy.

In particular, you must pay us any amount for which we would not otherwise be liable under your policy but for the Motor Vehicles (Third-Party Risks and Compensation) Act (Cap. 189), Malaysia's Road Transport Act 1987, the Agreements between the Minister of Finance of the Republic of Singapore and the Motor Insurers' Bureau of Singapore dated 22 February 1975 and between the Minister of Transport of the Government of Malaysia and the Motor Insurers' Bureau of West Malaysia dated 15<sup>th</sup> January 1968 and any other agreements pursuant thereto and/or any other applicable laws.

## **9 > keeping your DirectAsia third-party fire and theft motorcycle insurance up to date**

If there is a material change in your circumstances, then you must tell us immediately. We may calculate any difference in premium from the date your circumstances changed even if this happened in a previous period of insurance.

If you do not tell us about changes in your circumstances, then this could result in an additional premium being payable by you, affect the amount you are able to claim or may even mean that you are unable to make a claim. If your changed circumstances differ materially from what you have previously told us, then a failure to tell us of these changes could also result in your policy being declared void and as having never existed.

### **making changes to your policy – by you**

You may contact us to request a change to be made to your policy. We don't have to accept

any changes but if we do accept a change, we will confirm it in writing to you or amend it on your certificate of insurance and policy schedule.

If the accepted change reduces your premium, we will refund the difference owing to you, provided that such difference exceeds \$10.

If the accepted change increases your premium, you will need to pay us the additional premium, provided that such additional premium exceeds \$10.

The changes you requested will only take place when we have confirmed them in writing to you and you pay any additional premium that may be required.

You can contact us to make changes to your policy online, by e-mail or phone.

### **making changes to your policy – by us**

We may change the terms and conditions of your policy, including the premium payable. We will give you at least 30 days' notice before such change is affected.

We may also change any terms and provisions of your policy at the end of your policy such that the change will be applicable from the next period of insurance. Your continued payment of the premium after we give you notice of any change to your policy will mean that you accept such change.

### **cancellation of your policy and refunds**

Both you and we have the right to cancel your DirectAsia third-party fire and theft motorcycle insurance policy at any time by giving the other 7 days' notice.

The effective date of cancellation will be based on the date the other party is informed in writing of the cancellation.

On cancellation, we will agree to refund a proportionate part of the premium you have paid for the unexpired period of insurance less a cancellation fee of \$50 (subject to applicable GST) and you will have to pay to us any amounts due to us by you and return to us the original certificate of insurance as required by Singapore law. We will work out any refund of premium as follows:

**Premium x the unexpired period of insurance (days) / the original period of insurance (days) – applicable cancellation fee**

If someone else is the legal owner of your motorcycle because of a hire purchase, financial or leasing agreement or employer's loan with you and we have been informed of this fact, we will advise them when we cancel the policy.

You must pay us any outstanding or due premium within 10 days of you or us cancelling your policy. Delayed payments will be subject to interest and added charges.

We will not refund any premium and if you are paying in instalments, you must pay us the balance premium if on or before cancellation of the policy any one or more of the following has occurred:

- an accident or a claim has been reported.
- we have paid a claim.
- the certificate of insurance has not been returned.
- you owe us any money.

### **cancellation for dishonesty**

If we cancel your policy because you have not honestly answered the questions we have asked you about:

- you;
- any other person who drives or will drive your motorcycle;
- your motorcycle;
- the driving and insurance history of you and any other person who drives or will drive your motorcycle; and/or
- any events involving your motorcycle that result in a claim on your DirectAsia third-party fire and theft motorcycle insurance policy

then in addition to any other of our rights, you must pay to us on demand an administration fee of \$100 (subject to applicable GST) and we may debit your credit card for this amount without the need to obtain any additional authorisation from you.

### **interest of other persons**

You are not allowed to transfer or assign your interest in this DirectAsia third-party fire and theft motorcycle insurance policy to any other person without first obtaining our written approval.

You must tell us if anyone else has an interest in your policy (for example, the legal owner of your motorcycle through a hire purchase or leasing agreement or employer's loan).

We will extend to them the insurance under your policy only after you have informed us of their interest and we have agreed in writing to enter their name and interest on your policy. However, by our doing this it does not make you an agent or trustee for them or assign your rights and interests to them.

- any other agreements pursuant thereto and/or any subsequent revisions of the above legislation or agreements.

You should not start legal proceedings against us unless 60 days have elapsed after proof of loss has been provided to us in writing in accordance with the requirements of your policy.

Our liability under your policy is limited solely to the payment of the amounts you are entitled to receive. We assume no liability for the availability, quality or results of any service or for your failure to obtain any treatment or service covered by the terms of your policy.

No third party who has not agreed to be bound by the terms and conditions contained in this DirectAsia third-party fire and theft motorcycle insurance policy shall have any right under the Contracts (Rights of Third Parties) Act (Cap.53B) to enforce any of its terms or conditions.
